May 27, 2025

Hello,

One Unique Recovery House will be hosting a National Save A Life Day Event at Jawbone Park, Thursday, September 25, 2025. Since Buckhannon is a rural area that faces many challenges such as lack of internet access, community members find it difficult to understand or even be aware of the community resources available to them. This event would allow community members to have the opportunity to understand the resources available to them, especially those with substance use disorder. All while educating people of the difference that Naloxone can make in a crisis situation for anyone, at any time, or any age.

We have many ways for you to help:

- We are asking community businesses, resources, and agencies to attend and set up a table at this event. This would be a great opportunity to advertise and educate the community on what your business has to offer. The table space will be free for resources.
- As One Unique Recovery House is a non-profit organization run completely by volunteers, we are asking for a \$30 table set up fee as a donation to pay for the costs associated with this event for Vendors selling products. Spots will be 10x10 each.
- Want to help our mission? Volunteer to hand out Naloxone at one of our many locations set up throughout Upshur County.
- Are you a person in recovery with artists talent? Secure a free vendor spot today to show off your creations.

Please contact Megan by email at ourhousewv@gmail.com for an application. Return the application via email by Friday, September 5, 2025 to reserve your table area.

Sincerely,

Megan Payne, PRSS-SUD/MH
Director
